HABTESELASSIE BIRUK YEMANE

Front-end Developer

Address:
Pekankatu 5, Helsinki
Phone:
+358465406969
Email:
bir_yem@yahoo.com

Profile

I have worked on various projects developing web applications using various frameworks and tools. Recently, though, my focus has been directed towards modern front-end development. I have experience building single page applications(SPAs) using React. I'm now interested in modern front-end development using state-of-the-art frameworks and JavaScript build tools.
